# Weekly Q&A

*Do you have questions about breast cancer?*

Do you understand your diagnosis?

Are you exploring treatment options?

Are you gathering information for someone else?

**Come to BCC's  
Weekly Q&A Session\*  
Every Thursday Evening  
5:30 - 7:00 p.m.**

Each week a medical professional from a different breast cancer specialty is available to address medical questions and concerns in an informal atmosphere. A therapist facilitates each session. BCC staff and volunteers are also available to connect you with other helpful resources and offer support.

\*Please contact BCC's Helpline at (650) 326-6686 or visit our online calendar at [www.bcconnections.org](http://www.bcconnections.org) to get the schedule of upcoming Weekly Q&A medical professionals for the current month, and for more information.

**All BCC programs and services are free of charge**
